Dear Massport CAC Executive Committee Member,

Massport CAC staff has been closely monitoring updates and recommendations from the Center for Disease Control and Prevention (CDC) and the World Health Organization (WHO), as well as state and local governments regarding the concern of COVID-19. We have also been actively following travel advisories and restrictions being placed on institutions such as the FAA and Massport. The health and safety of our members, staff, and participants is of paramount importance, and it is for this reason that we have decided to cancel the April 7<sup>th</sup>, 2020 MCAC Executive Committee Meeting.

Staff will be working to reschedule this meeting in the future, but we are currently unable to provide specifics given the uncertainty surrounding the outbreak of this virus. Please join us in staying healthy as we move forward together through this unprecedented situation.

Sincerely,
