Position Opportunity

Executive Director

The Massachusetts Port Authority Community Advisory Committee is seeking a self-assured and self-starting, strong leader with managerial experience and excellent communication skills to continue building the CAC's advisory, analytical, and advocacy capacity. The Massport CAC is a state agency comprised of representatives of the 35 communities that are impacted by Massport's operations and property holdings in Boston, Bedford, and Worcester. The Executive Director will assist the Committee as it strives to expand its prominence within state government as a resource of perspective related to Massport operations and as a voice for the Massport-affected communities. Key tenets of this work include the ongoing review of Massport's finances, strategic planning and operations, and serving as a technical resource for state government.

The successful candidate should possess a bachelor's degree in a field related to public policy, management, planning, or law, and have at least 5 years of progressive experience. The successful candidate must possess demonstrated skills, abilities, and knowledge in government, community planning and environmental regulation, and intergovernmental relations. The successful candidate must be a leader with high interpersonal and communication skills and possess a strong belief in collaboration and advocacy.

Annual salary: \$125K+/-, Depending on Qualifications. The successful candidate will receive an attractive compensation package that is competitive with comparable organizations. The Massport CAC is an EEO/AA employer.
