General Committee Meeting Minutes for June 18, 2026

Guests:

Dr. Scott Hersey
(AirPartners)
Elisabeth Smeda (FAA)
Marie Kennington-
Gardiner (FAA)
Steve Sulprizio
(Masspost)

- II. Approval of the General Committee Meeting Minutes/March 19, 2026 (emailed 4/9/26) – Stephen Fox made motion to approve minutes; seconded by Brian Kane. Full vote noted on table above.
- III. Public Comment – no public comments at this time.
- IV. Treasurer's Update – Aaron Toffler reported in Ira Goldman's absence that for the month of May we ran a deficit of \$71,000. This was a result of 2 payments made to our data consultants for maintenance and infrastructure of our data visualization tool project. Those payments were expected to be made in June and were paid in May. We have purchased (3) additional UFP air monitors and (3) gas phase and particulate matter air monitors. We are expecting that we will close out the fiscal year with just under \$10,000 remaining in our budget.
- V. Massport Board Member Update – John Nucci reported that the SAF supplemental budget tax credit has passed. In addition, the "first in the nation" remote terminal located in Framingham has been up and running and having great success. Massport has been presented the award from the Guinness Book of World records for the world's largest soccer ball.
- VI. Leadership Update – Aaron Toffler
 - a. FY 2027 Budget – Aaron Toffler presented the FY27 budget which has already been approved by the Executive Committee, including a 7% increase for the Executive Director. Alan Wright made motion to approve the FY27 budget, this was seconded by Stephen Fox. Record of vote on table above.
 - b. FAA Presentation – Marie Kennington-Gardiner, Acting Regional Administrator for the FAA gave a presentation on the Block 1/Block 2 procedures and Noise Policy Review Process. Slides are included in video recording.
 - c. Logan Air Monitoring update – AirPartners – Dr. Scott Hersey gave an update on the Logan Air Monitoring project. Slides are included in video recording. Coming up on 1 year of monitoring with the QuantAQ monitors. There are currently 3 monitors deployed. (Jeffries Point & St Andrew's Road in East Boston and Point Shirley in Winthrop) The plan for next steps in the project will be adding additional monitors further from Logan Airport.
- VII. Massport update – Tommy Butler reported that Runway 27 will be closing again from 8/31/26 to 11/13/26 (75 days) to continue the runway safety improvement.
- VIII. New Business – no new business at this time.
- IX. Correspondence – no new correspondence at this time.
- X. Adjournment – We did not have a quorum at the conclusion of the meeting, there was no need for a motion or vote to adjourn.
